Manual Transmission Fluid Recommendations - I recently purchased my first Audi and I would like to replace  
my manual transmission fluid. I need some advice on selecting the best fluid for my A4's transmission. I have  
already replaced the rear differential fluid with mobil 1 gear oil....What Type of Oil To Use In An Audi A4  
PAGE DISCLAIMER: The information below is 'General Information' and should be used as a guide. The Audi  
motor oil information on these pages should not be used as a substitute for what your vehicle owner's manual,  
factory service manual, or authorized Audi dealer recommends.Audi A4 Which transmission fluid do I use in an  
A4 automatic.... There is only one type for 98 - 05 Passats and Audis. It doesn't have a name. The dealer has a  
part number for it but I don't know what it is. The supplier is Pentosin and they refer to it as ATF1. Napa could  
possibly have it as they have an account with a company called alltrom who...
