GORDON TORR Creative Managing People LESSONS IN LEADERSHIP FOR THE IDEAS ECONOMY Managing Creative People Someday... The Like Economy: How Businesses Make Money With Facebook BRIAN CARTER THE LIKE ECONOMY HOW BUSINESSES ARE MAKING MONEY WITH FACEBOOK 800 East 96th Street, Indianapolis, India...The Creative Economy: How People Make Money From Ideas. It is not just having a bright idea that counts – it's what you do with it. John Howkins, a leading expert on creative business, shows us what creativity really is, gives the hard data on its global turnover (\$2.2 trillion a year) and outlines the key rules for success. The rules include: Invent yourself. B.
